Club Changing Policy

Barnsley CC is aware that some Young People may feel uncomfortable changing or showering with adults. If this is not the case with your son/daughter then the club needs your consent for this to take place. The club's policy is as follows

1. Adults should try not to change or shower at the same time using the same facility as Young People
2. If Adults and Young People need to share a changing facility, the Club must have consent from the Parents that their child/children can share a changing room with Adults in the club
3. If Young People need to share changing facilities with Adults, their Parents will be allowed to supervise them whilst they are changing

Please note:

- If Young People are uncomfortable changing or showering with Adults, no pressure will be placed on them to do so. They will be encouraged to do this at home.

Use of Photographic and Filming Equipment at Cricket Events

Sometimes the club may ask the press or a professional photographer to a Cricket event. We will ensure they are clear about expectations of them in relation to child protection and the Welfare of Young People.

We will

- Provide a clear brief about what is considered appropriate, in terms of content and behaviour
- Issue the photographer with identification which must be worn at all times
- Inform Young Cricketers and their Parents/Guardians that a photographer will be at the event and ensure that you receive their consent to both the taking and publication of films or photographs
- Unsupervised access to Young Cricketers or one-to-one photos/filming sessions at the event will not be permitted
- Photo sessions outside the event will not be permitted

If Parents or other club members spectators are intending to photograph or video the event, they will be made aware of these expectations:

- No one other than club members, or identified members of opposition clubs will be allowed to use photographic equipment
- If Young People and Parents have concerns they can report these to the event organiser
- Concerns regarding inappropriate or intrusive photography reported to the event organiser or official will be recorded in the same manner as any child protection concern
